

# In the future, entire business models will be created and destroyed in minutes...

Posted on 23rd October 2018

[Save for later](#)

... as people and machines combine to imagine and instantiate ideas across the global digital network.

**Impossible?**

**Our goal is to create the technologies and practices that will make it happen.**

Are you curious about how we intend to achieve this? Are you interested in white papers and videos about our way from digital transformation to digital business ecosystems? Would you like to read insights and blog posts from our Chief Strategic Officer, Dr. Ian Thomas?

**Then [start the journey](#) with him on our new vision and future thinking site, <https://vision.runmyprocess.com>.**

You can open the new site at any time by means of a new menu entry, **Vision**, on our [website](#).
